*We appreciate your interest in taking part in our 4th Annual School Supply Giveaway. On last year we provided one thousand children with filled backpacks and fed over fifteen hundred people in attendance. Because we are a 501c3 nonprofit organization we ask that you secure your space on Saturday, August 4th with a 100.00 tax deductible donation. Your donation will assist us in purchasing 5 filled backpacks that will distributed to the children at the park. We ask that you*

*bring your own table and tent to set up and be prepared to greet and distribute the parents and children by 10am. The streets will be blocked off by the Reidsville Police Department. Please arrive earlier if you need assistance from our volunteers to set up your area. We begin distributing backpacks at 11am, and the participants will make their way to the "Vendor Section" to visit the various companies in attendance. We are looking forward to seeing you and serving the Children of Rockingham County. All photos taken at the event will be used for social media and advertising purposes.*

*Saturday August 4th, 2018*
